

AverixAI

Sponsorship Packet

**Together, we shape the next generation of
AI leaders**

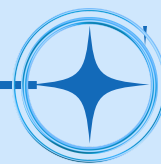

About Us

AverixAI is a **non-profit organization** dedicated to bridging the gap between emerging technology and young minds. Our mission is to **provide teens with access to high-quality education, delivered through a structured program, which would last 2-3 weeks.** Through mentorship, students gain foundational AI knowledge and the opportunity to apply it in a **capstone project** that addresses real-world challenges.

Averix is entering an exciting stage of growth, and we are seeking partners who **believe in the power of youth-led innovation** to help us scale out vision, **provide meaningful opportunities through summer programs, hackathons, and workshops** for the students that we serve.

Programs and Events

Scholars Program

A 2-3 week online program that covers everything from **foundational AI programming to building CNNs**, giving students **hands-on experience with AI**.

Workshops

Our workshops offer **hands-on, beginner-friendly** learning experience in AI fundamentals, tools, and ethical considerations.

Online AI Hackathons

AverixAI will host exciting, challenge-based **hackathons** where teens collaborate to build **AI-powered solutions**.

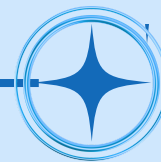

Why Sponsor Us?

- **Brand Exposure and Trust:** Align your brand with innovation, education, and the future of AI
- **Reach a Growing Audience:** Access well-versed and creative learners
- **Meaningful Engagement:** Through product integrations, events, workshops, and content
- **Mutual Growth:** Help us scale - as we grow, your exposure and impact grow as well
